

*Here are short versions of ideas presented in  
A Piece of Cake 1 and 2 on how to work with words.*

1. Put the words into sentences.
2. Find synonyms.
3. Find opposites.
4. Pick out 10 (15, 20) words and write a story.
5. Try to learn words that rhyme and write a poem.
  
6. Make a picture wordlist.
7. Put words which have something in common into groups.
8. Make a mind-map.
9. One of you talks about the word, without actually using it, until the others understand which word it is.
10. Retell the story with the help of keywords.
  
11. Construct a crossword.
12. Give the right question. Ask questions so the others "have to" use the word.
13. Make a domino game.
14. Twenty questions.
15. Try to dramatize the word and perform a charade.
  
16. Make a board game.
17. Extended vocabulary book. Four columns:  
English word, a sentence, explanation, Swedish word.
18. Make a word grid.
19. The odd one out.
20. Play the game of Scrabble.
  
21. Play Hangman.
22. Write definitions of the words.
23. Draw a Tic-tac-toe and fill in words.
24. Write down associations with words.
25. Learn about prefixes and group words together.
  
26. Make word cards.
27. Spell the words to each other.
